The Shape of Light

RED FEATHER MUSIC • This CD by Jeff Ball, a leading player of wooden American Indian flutes, combines one of the world's oldest melodic instruments with one of the newest, the hang (pronounced "gong"), a melodic and rhythmic instrument. The CD features a variety of music, from soft, meditative sounds to upbeat, melodic tunes with violin, cello, piano and acoustic guitar instrumentation.

The Shape of Light costs \$12.99 • Contact CD Universe, (800) 231-7937 or www.cduniverse.com

Well Earth

FRONTIER NATURAL PRODUCTS CO-OP

• This sustainable sourcing certification program was created to find and develop ethical sources of high-quality products. The program screens potential suppliers with an extensive questionnaire and on-site visits to thoroughly evaluate their product quality, operational sustainability, environmental practices and social responsibility. The program also provides direct financial contributions as well as assistance with grants and other outside funding for social and environmental programs in the grower communities.

Any qualified producer, grower or supplier can participate in Well Earth for free.

• Contact Frontier Natural Products Co-op, (800) 669-3275 or www.frontiercoop.com

Professional Business Cards

INFORMATION FOR PEOPLE • These vibrant and professional business cards were designed for healing arts practitioners. Twenty styles coordinate with postcards and gift certificates in a complete product line supporting marketing for the healing arts. An additional \$40 for premium service includes added layout support from design staff. The cards are easy to order and update online.

Professional Business Cards cost \$70 for 500 cards or \$100 for 1,000 cards • Contact Information for People, (800) 754-9790 or www.info4people.com

Ginger Mint Aromatherapy Massage Cream

AURA CACIA • This cream is made with 100-percent pure essential oils, which are combined with natural botanical thickeners and skin-nourishing ingredients, such as coconut oil, shea butter, vitamin E and jojoba oil. It is formulated to melt into a creamy oil once it makes contact with skin and helps provide an improved glide for the massage therapist during massage.

Ginger Mint Aromatherapy Massage Cream costs \$80 for a gallon • Contact Aura Cacia, (866) 915-8316 or www.auracaciaspa.com
